

# Quick Coupling Probes Connector to Cutting Torch

**Item No.: 361361333**

## Product information

Connector to shank

## Features

- Lightning-fast connection and disconnection of equipment
- Simplest selection of the right body and probe
- Easy identification with colour coding on probe (Red for Ac/Blue for Ox)

## Benefits

- No uncontrolled escape of gas when disconnected because of automatic cut off valve
- No build-up of explosive gas-mixture in the pipe line because of non return valve
- Kink free hose and secure connection because of ball race lock

## Specification

<b>General:</b>	Invent Hazard Material (IMO/EU) classification	NA
-----------------	--	----

<b>Technical data:</b>	Probe made from stainless with hardness of 25 Rockwell
	Dirt filler protects hose coupling and equipment

<b>Approvals:</b>	EN 561 / ISO 7289 / BAM/ZBA/003/04
-------------------	------------------------------------
