

Safety Spectacles Shade 5

Item No.: 361361518

Product information

The safety spectacles have scratch proof hard coated polycarbonate lenses which are green in shade 5. They have side shields and adjustable arms and they are the same modern lightweight design and features as the clear version. Can be used when doing brazing and light duty gas welding and cutting work. Can't be used when doing arc welding.

Benefits

- The headband is adjustable and elastic for comfortable use
- The lenses are clear, anti-mist acetate
- The design provides ample ventilation
