

TECHNICAL BULLETIN

Issued June 2025 - TB No.2 - Version 1

Unifrost Refrigerants Quality Assurance

We are pleased to report that within our cooperation with a major shipping owner, our **Quality of Freon** supplies worldwide **have been approved and certified by Independent Laboratories**.

The certifications from three serious labs are attached.

Unimarine is proud to confirm to all of our clients that our supplies of Freon worldwide are **checked and tested** to assure the **best quality and service**.

Unimarine can supply **all Refrigeration related items** needed, as well as **Refrigeration Services** (our Uni-flying team) and **major spare parts** for all compressor makers.

Use Unimarine for all your Refrigeration needs!
